

Appl. No. : 10/814,502
Filed : March 31, 2004

REMARKS

The present amendment under 37 C.F.R. § 1.312 is filed after the issuance of the Notice of Allowance mailed December 1, 2006. In this amendment, Applicants amend the first paragraph of the application, which recites the priority claim, to be one sentence. Applicants also amend paragraph [0056] to provide the correct filing date, June 30, 2003, for U.S. Patent Application No. 10/608,233. Additionally, Applicants amend paragraph [0024] to correct a pair of typographical errors.

Applicants also amend Claims 5, 13, 21-23, and 27 to correct typographical or grammatical errors. In Claim 27, Applicants have also inserted the word "fiber" prior to the first instance of the word "reflectors" to be consistent with subsequent references to the fiber reflectors.

Applicants respectfully request consideration and entry of the present amendment. No new matter has been added. If the Examiner has any questions regarding the foregoing, the Examiner is invited to contact the undersigned at the telephone number below.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
